Re: *City of Greenville et al. v. Syngenta Crop. Protection*

Dear Steve:

I am writing in response to your letter dated December 16, 2011, and email dated January 4, 2012, regarding your request to take "European depositions." Six of the people you identified, Christoph Werner, Hans Egli, Willy Maurer, Helen Tinwell, Paul LeFevre, and John Ashby, no longer work for any Syngenta entity. Of the other eight individuals identified in your letter, none are employees or officers of either Syngenta Crop Protection LLC or Syngenta AG, the two defendants in this case, and therefore we will not produce them voluntarily for a deposition.

Please contact me if you would like to further discuss these issues, or our response to your requests for documents from Syngenta AG, which we filed today.

Sincerely yours,

Michael A. Pope, P.C.
